Hey hey hey
You want to kill me with that toy gun?
I am sure Miss Centaur said it can't harm anyone
Clank Clank
This is just a toy gun
There's no need to worry it won't kill you
I never planned to kill you with this gun.
Number One...
How about you rethink what would happen if the gun is fired?

Ah I see according to the rules
!?
Then tokens will be reduced
If it is a [Miss]
Haiya
Looks like I am in deep shit this time
Miss Centaur
You didn't state that you could shoot other people did you?
But I didn't say you couldn't too

These who are shot will gain 2 tokens.

What
WHO CARES
There's only 2 tokens inside the gun!
A CHIT will bring the token down to 1 then what will I do in my turn?!
Then, why would you the culprit also be here?!
But there's something strange.
I committed suicide because Number One took my legs away
You committed suicide so you could run away from reality right?
Hah?
What are you talking about?!

Also..
SHUT THE FUCK UP!!
Losing the precious pair of legs
Ignored by family
Betrayed by comrades
Xiang Miao-
Oh? What are you so frightened of?
Are you afraid that the things you tried to COVER would be EXPOSED?
STOP TALKING LIKE YOU KNOW EVERYTHING ABOUT ME!!
WHO THE HELL ARE YOU?!
WHAT DO YOU KNOW ABOUT ME?!

If possible...
But Ren Bin really needs a family companion...
Can you, Uncle, ask Auntie Sun to take care of Ren Bin...?
Ren Bin is still in a fragile state... ...he will need some time to recover...
Wait a minute, Uncle Sun!
Is that so? I am leaving then.
I am sorry... I know you are currently busy arranging the basketball competition...
GET WELL SOON
I AM LEAVING.

BAM!
REN BIN!
Are you okay?!
I will help you
NO NEED!!

That's why please don't be kind to me anymore...
I would rather suffer now than later...
Everyone will leave me sooner or later...
My instructor... Friends... family... and you
My legs are broken beyond repair...
I am already a disabled person...
Just leave me alone
Ken Pin
I am very sorry for leaving you alone in the rain before
I should have known that you needed someone by your side more than anything
I am sorry for not thinking of your feelings...
I knew you are in a difficult situation right now.
BUT YOU STILL HAVE ME

I don't wish you to be sad all the time
That's why I hope I can become someone you can rely on
The Ren Bin I know is a very optimistic person
The one who always gives it all for his dream.
The one who always thinks of me more than anyone else ...
Can I... really rely on you?
Yeah! No matter what, I won't leave you alone!
I am not as tough as you think ...
That's okay too!

How many tokens did Number One possess at the start?
Is that so?
They weren't 9...
What kind of joke is this?!
It's a violation of the rule!

© 三浦十寸見 All Rights Reserved

Situation 1, all shots HIT his starter tokens were 4
Situation 1
1st Time x4 +2 =6
2nd Time x6 +2 =8
Number One currently has 8 tokens and he was shot twice before
Situation 2 1 HIT and 1 MISS, his starter tokens were 8
Situation 2
1st Time x8 +2 =10
2nd Time x10 -2 =8
therefore we have 8 probabilities here
Situation 3 all shots MISS his starter tokens were 12 tokens
Situation 3
1st Time x12 -2 =10
2nd Time x10 -2 =8
Number One has more than 8 tokens at the starter
Which means...
Summarizing all 3 situations, Number one always had more than 8 tokens in his possession
But didnt we all get 8 tokens at the start?

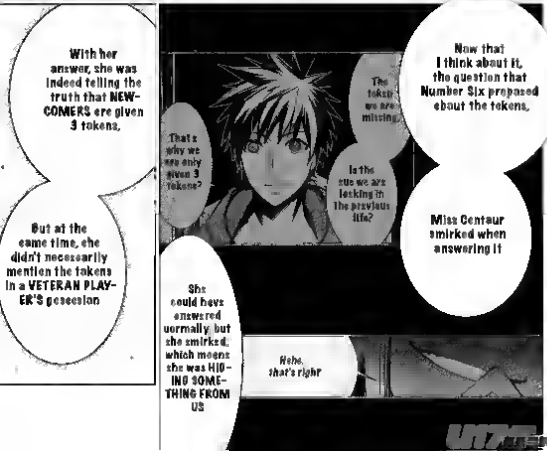
At the time, Miss Centaur did mention something about [Newcomer].
This game will grant you the token you are lacking
Hearing that, I wondered if there's someone among us that's not new to the game.
[Russian Roulette]
Because there are newcomers here, we will play a simple game.
But since it's a baseless deduction,
I didn't tell anyone about it.



With her answer, she was indeed telling the truth that NEWCOMERS are given 3 tokens.
But at the same time, she didn't necessarily mention the tokens in a VETERAN PLAYER'S possession
Now that I think about it, the question that Number Six proposed about the tokens,
The tokens we are missing
That's why we are only given 3 tokens?
Is the one we are looking in the previous life?
Miss Centaur smirked when answering it
She could have answered normally but she smirked, which means she was HIDING SOMETHING FROM US
Hehe, that's right

Who asked you?
I asked the cafeteria boss
If, how do you know my name?
Weren't you the one with lots of breads in the cafeteria that day?

I am sorry
I can't explain it, but
This is all my own doing
Including his injury
Although I can't explain it myself,
I DON'T BELIEVE IT!
But I just know that you aren't the kind of person to do such things!
I can tell that you are different from who you were earlier!

Starting from that day,
We are already friends.
Just like with Ren Bin, you also need someone's help.
That's why I will do my best to help you too.

Don't do anything that will hurt other people anymore...
Can you promise me that?

Ren Fin...
Miss Xiao Ye always...
DON'T BE RIDICULOUS!
